

HealthSYNC of Louisiana - the health information exchange developed by physicians, for physicians.

**CONNECT.
ANALYZE.
ENGAGE.
TRANSFORM.**

HealthSYNC of Louisiana offers a suite of transformative health information exchange products and services.

Participants benefit from:

- Bidirectional Health Information Exchange
- Secure Data Warehouse
- Near real-time Clinical Analytics
- Patient Alerts
- ONC-certified Patient Portal
- Doctors' Quality Reporting Network - An ONC and Drummond-certified, CMS-approved Qualified Clinical Data Registry
- Tools to help meet MIPS requirements
