

GET CONNECTED

HealthSYNC of Louisiana is the statewide, physician-led health information exchange delivered in partnership with the Louisiana State Medical Society.

This health information network allows connected physicians, hospitals and other providers to share patient information, employ powerful analytic tools designed to help improve clinical outcomes, reduce inefficiencies, and positively impact patient safety.

"HealthSYNC is an important tool to help clinicians identify and treat at-risk patients, proactively engage patients sooner, understand the performance of health interventions on health outcomes and reduce costs, in particular cutting down on duplicate testing."

John VanHoose, MD

CEO, The Pathology Laboratory of Lake Charles

Why HealthSYNC of Louisiana?

HealthSYNC of Louisiana is the physician-led health information exchange delivered in partnership with the Louisiana State Medical Society.

SECURE EXCHANGE OF PHI

Digital transfer of personal health information is secure.

MORE COMPLETE PATIENT RECORD

Helps improve patient encounters and health outcomes while avoiding duplication of labs and tests.

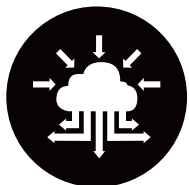

ANALYTICS

Provides participants access to secure analytic dashboard and report services to support improved outcomes, quality reporting, and reimbursements.

DIRECT MESSAGING

Secure messaging between physicians and between physicians and their patients.

TIMELY & EFFICIENT

Efficiencies of scale – information goes into the HIE once and is universally available to participating members of the healthcare team.

PATIENT ENGAGEMENT

Meets the requirement to provide patients an ONC-certified patient portal that offers 24/7 access to their longitudinal health record.
